Mrs. Effa Manley  
101 Montgomery Street  
Newark, New Jersey

Dear Mrs. Manley:

Accept my sincere appreciation and that of the officers and members of the Attucks Guard of Post #152, American Legion for your splendid contribution of \$10 as one of the sponsors of the Guard for the fiscal year 1939-40.

The Attucks Guard paraded in New York with the Elks recently and made quite a hit. Thanks to the kindness of yourself and other sponsors, we hope to make even a better showing at Cape May and we hope that you may be present to give us a hand.

We again assure you of our deep appreciation and hope that you will not hesitate to call on us at any time that we may be of any possible service to you or to the Eagles.

Sincerely yours,

  
J. Mercer Burrell, Captain  
Attucks Guard  
Emmitt Guyton Post #152
